TASTE IS ACQUIRED. FORESIGHT, CHOICE.

What's it like to live amidst acres of open greens in one of the city's fastest-emerging, growth-centric micromarkets? To be at work in prime CBDs in less than 30 minutes? To command pride when you own some of the most lavish, large-hearted 3 and 4 bed residences, as also the finest lifestyle? To have likeminded, swish erudite connoisseurs as neighbours. Corner office holders who foresee the evolution of things before they occur. To live at what will be the centre of the universe for a burgeoning North Bengaluru? To own an asset that is appreciating even as you're reading this?

IT'S DESTINED. IT'S DEVANAHALLI.

Home to the Kempegowda International Airport-the 3rd busiest airport in India, abutted by the upcoming Satellite Town Ring Road and traversed by NH 44, Devanahalli has got the advantage of unmatched access and connectivity that has snowballed the creation of a holistic, self-sustaining ecosystem.

Be it the ~3,000 acres of Aerospace & Defence, and Hardware Park, the IT Investment Region or the 408-acre Devanahalli Business Park, Devanahalli's prospects of being an investor's paradise are second to none.

Bull Run @DEVANAHALLI. The micro market has been gaining its fair share within the North Bengaluru's success story. The residential prices have shown a 35% increase since 2020.

One of the fastest growing markets. Devanahalli has been witnessing a slew of supply and sales. Every 1 in 5 homes sold in North Bengaluru is located in Devanahalli.

Steady rise in commercial. Since 2014, North Bengaluru has seen a 12x jump in office supply, with a shifting trend of new supply towards Devanahalli.

Brilliant connectivity. Devanahalli sits at the cusp of major intersections-NH 44, Budigere Road and the upcoming Satellite Town Ring Road (STRR).

Future prospects. Given the scale of large, multiple Public-Private Partnership (PPP) projects-Aerospace and Defence Park, Bengaluru Signature Business Park, BIAL ITIR, Metro, Aerotropolis City and much more-Devanahalli emerges as one unmissable, multi-bagger opportunity.

The Brigade Group is one of India's leading property developers with over three decades of expertise in building positive experiences for all stakeholders. Instituted in 1986, the company has developed many landmark buildings and transformed the skyline of cities across South India, namely – Bengaluru, Mysuru, Mangaluru, Chikmagalur, Hyderabad, Chennai, Kochi, and GIFT City, Gandhinagar with developments across the Residential, Commercial, Retail, Hospitality and Education sectors. Since its inception, Brigade has completed 275+ buildings amounting to over 80 million Sq.ft./ 7.45 million Sq.mtr. of developed space across a diverse real estate portfolio.

The Residential developments include villas, villaments, penthouses, premium residences, luxury apartments, value homes, urban studios, independent living for seniors and mixed-use lifestyle enclaves, plotted developments and townships. Over the years, the projects have been one-of-a-kind in the sector, for example, Brigade developed Brigade Gateway, Bengaluru's first lifestyle enclave and Brigade Exotica, one of the tallest residential buildings in Bengaluru.

Brigade is among the few developers that also enjoys a reputation of developing Grade A Commercial properties. The license owners of the World Trade Center across South India, the Group's commercial spaces have top international clients operating out of them. Brigade also entered the co-working space with 'BuzzWorks' in March 2019.

Brigade is the founder of The Indian Music Experience (IME) – a monumental and philanthropic initiative that is India's only hi-tech interactive music museum. It was conceived to give back to society and sensitise the present generation to the rich culture of Indian music. The Group contributes in numerous ways towards community development, health, education, and the environment. Through the Brigade Foundation, the brand has successfully opened three schools in its name, offering holistic education; has conducted large-scale tree plantation drives; spruced up parts of the city; revived public recreational spots like lakes and parks, to name a few.

REAP brings along innovators and inventors to use technology as a catalyst for creating sustainable and scalable businesses in the real estate industry.

'Great Place to Work Institute' has rated the Brigade Group as one of India's best companies to work for in the real estate industry. This responsible attitude and innovative mindset combined with the uncompromising quality of the projects over the years has created a brand of outstanding repute.
